Where Are We Now?

- Technology has come a long way
 - And still has a way to go
- Point solutions addressing key industry challenges
 - No one company has a complete solution
- Lots of funding flowing to this area
 - New players must be vetted
- Incredible tech expertise
 - Should be balanced with deep operations experience
- Solutions should be aligned with business strategy
 - Consider older, proven solutions in cost-benefit analysis
- Never been a more exciting time to be in supply chain
 - Moving beyond exploration to experience
