MHI INNOVATION AWARDS AT MODEX

The MHI Innovation Award serves to educate and provide valuable insights on the latest manufacturing

and supply chain innovative products and services. The contest defines innovation as a new product, product line, technology or service or new application of existing products or technology that creates quantifiable and sustainable results in terms of ROI, cost savings, customer satisfaction, etc.

All innovation award submissions will be showcased at Georgia World Congress Center during MODEX. The award winners will be announced on March 13 during the MHI Industry Night with comedian Colin Jost at MODEX 2024.

At MHI, our first and only priority is giving supply chain professionals access to the solutions they need to be successful. For over 75 years, we've been staging trade events in pursuit of this goal. Today, both MODEX and ProMat are widely considered the industry's premier "must-attend" manufacturing and supply chain events.
