EXPONENTIAL AI SUPPLY CHAINS: TRANSFORMING LOGISTICS WITH AI AND THE EXO METHODOLOGY

In this keynote, Salim Ismail — founder of the Exponential Organizations (ExO) movement — shows how exponential thinking can transform supply chains for a volatile, fast-moving world.

Traditional models are cracking under pressure. Salim reveals how applying ExO principles, especially AI, to logistics and operations unlocks agility, efficiency and resilience at scale. With real-world cases, he demonstrates how AI, IoT, blockchain and autonomy converge to create adaptive networks that sense demand, self-optimize and deliver faster than ever.

This is a bold framework for leaders ready to reimagine operations and future-proof their supply chains. Prepare to rethink what's possible — and walk away with strategies to scale at the speed of the future.

DALE EARNHARDT JR.

NASCAR Champion and Entrepreneur

WEDNESDAY, APRIL 15
9:00 AM

A CONVERSATION WITH A RACING LEGEND

Join us for an unforgettable keynote as we sit down with NASCAR icon Dale Earnhardt Jr. for a candid chat. In this exclusive session, Dale Jr. opens up about life on and off the track — from the legacy of his legendary father to his own journey through the highs and lows of professional racing.

With his signature authenticity and insight, Dale will share stories from his racing career, his transition to broadcasting and his passion for preserving motorsports history. Whether you're a lifelong fan or new to the world of NASCAR, this is a rare opportunity to hear directly from one of the sport's most beloved figures.

Expect laughter, reflection and inspiration as Dale Jr. talks about perseverance, resiliency, leadership and what it means to carry a legacy forward in the fast lane.

Don't miss this chance to get up close and personal with a true racing legend.

MHI INNOVATION AWARD AT MODEX 2026

The MHI Innovation Award serves to educate and provide valuable insights on the latest manufacturing and supply chain innovative products and services. The contest defines innovation as a new product, product line, technology or service or new application of existing products or technology that creates quantifiable and sustainable results in terms of ROI, cost savings, customer satisfaction, etc.

All innovation award submissions will be showcased at the Georgia World Congress Center during MODEX 2026. The award winners will be announced on April 15 during the MHI Industry Night with comedian Jim Gaffigan at MODEX 2026. **Finalists are listed in bold.**
